

## PIG® Gray Ham-O® Absorbent Mat Roll with Poly Backing

MAT132 Heavyweight, 31" W x 150' L, 1 roll per bag

Brings the fun to leak, drip and spill cleanup! Ham-O layer camouflages liquids and grime while it absorbs; poly backing prevents liquids from leaking through to surface underneath.

- Heavyweight rolls with poly backing prevent grease, oil and other liquids from reaching floors, counters or other surfaces; our most popular mat weight is ideal for absorbing leaks, drips or overspray in walkways and aisles and for soaking up big spills in large areas
- PIG-Printed Camouflage Mats are a fun way to absorb liquid and hide grime; Ham-O mats keep your workplace clean and your employees safe and happy
- Absorbed leaks and drips blend right in to camouflage top layer so mat appears clean
- Place over a spill with poly-back side up to reduce harmful, flammable or irritating vapors
- Walk all over it! Scuff-resistant camouflage layer stands up to foot traffic in aisles and walkways; resists rips, tears and abrasions from tools when used as a liner
- Use anywhere – line workbenches, counters and toolboxes, catch drips and overspray around machinery, clean up oil and grease in service pits and more!
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Cuts easily with scissors or utility knife
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
  - always take proper precautions when handling saturated absorbents

### Specifications

Absorbency Range

40 - 49.9 gal.

<b>Dimensions</b>	31" W x 150' L
<b>Mat Weight</b>	Heavyweight
<b>Recycled Content</b>	25% or more Recycled Content
<b>Absorbency</b>	Up to 40.6 gal. per bag
<b>Absorbency per</b>	Up to 40.6 gal. per roll
<b>Color</b>	Gray Ham-O
<b>Brand</b>	PIG
<b>Category</b>	Universal Absorbent Mat; Ham-O® Absorbent Mat
<b>Core Diameter</b>	1.5"
