

PIG® Gray Ham-O® Absorbent Mat Roll with Poly Backing

MAT132 Heavyweight, 31" x 150', 1 roll

Brings the fun to leak, drip and spill cleanup! Ham-O layer camouflages liquids and grime while it absorbs; poly backing prevents liquids from leaking through to surface underneath.

- Heavyweight rolls with poly backing prevent grease, oil and other liquids from reaching floors, counters or other surfaces; our most popular mat weight is ideal for absorbing leaks, drips or overspray in walkways and aisles and for soaking up big spills in large areas
- PIG-Printed Camouflage Mats are a fun way to absorb liquid and hide grime; Ham-O mats keep your workplace clean and your employees safe and happy
- Absorbed leaks and drips blend right in to camouflage top layer so mat appears clean
- Place over a spill with poly-back side up to reduce harmful, flammable or irritating vapors
- Walk all over it! Scuff-resistant camouflage layer stands up to foot traffic in aisles and walkways; resists rips, tears and abrasions from tools when used as a liner
- Use anywhere – line workbenches, counters and toolboxes, catch drips and overspray around machinery, clean up oil and grease in service pits and more!
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Cuts easily with scissors or utility knife
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents

Specifications

Traffic

Medium Foot Traffic

Backing Material	Poly-Backed
Static-Dissipative	No
Indoor/Outdoor	Indoor Use
Floating	No
Reusable	No
Wringable	Yes
Incinerable	Yes
Flammability Specifications	Flame Resistant - Will melt and self-extinguish
Fluid Absorbed	Oils, Coolants, Solvents, Water – Universal
Special Feature	Camouflage Pattern; Poly-Backing
Color	Gray Ham-O
Dimensions	31" W x 150' L
Mat Weight	Heavyweight
Recycled Content	25% or more Recycled Content
Absorbency	Up to 40.6 gal. per bag
Absorbency per	Up to 40.6 gal. per roll
Brand	PIG
Category	Ham-O® Absorbent Mat
Core Diameter	1.5"
Perforated	No
Sold as	1 roll per bag
Weight	42 lbs.
# per Pallet	12
Composition	Polypropylene
UNSPSC	47131901
UV Resistant	No
Pigalog® Page Number	Page 19

Metric Equivalent

Absorbency per	Up to 153.7 L per roll
Absorbency	Up to 153.7 L per bag
Dimensions	78.7cm W x 46m L
Weight	19.1 kg

Disclaimers

HAM-O® Mat Notice

Not recommended for absorbing solvents or corrosive liquids that may affect the printed pattern.

Safety Instructions Regarding Flammable Liquids for Flame Resistant Mats

Pig Absorbent Mats are flame resistant in their unused state, but take on the properties of flammable liquids they absorb. Always take proper precautions against potential ignition in handling and disposal of these mats if they have absorbed flammable liquids.
