

## PIG® Absorbent Mat Roll Refill for PIG® HazMat Quick-Response Spill Cart

MAT13401 Heavyweight, 15" x 90', 1 roll

Restock your HazMat Quick-Response High-Visibility Spill Cart with this replacement roll of PIG HazMat

- Quickly mount this made-to-fit roll of HazMat inside your HazMat Quick-Response High-Visibility Spill Cart, as soon as your current roll runs out, and stay ready for HazMat spill response with pull-and-tear dispensing
- Safely grab from the PIG HazMat roll —made to absorb hazardous chemicals including acids, bases and corrosives — since the high-visibility pink color is quickly identifiable in a spill emergency.
- Caution: mats take on the properties of absorbed liquids, so always take proper precautions when handling saturated absorbents
- Note: this roll fits inside the current Quick-Response Spill Cart design; previous versions of the small caddy design do not accommodate this size of roll
