

# PIG® Traffic Mat® Heavy-Duty Absorbent Rug

MAT162 Heavyweight, 36" x 150', 1 roll per bag

Our most durable absorbent mat for areas with heavy foot, cart or forklift traffic in a heavy-duty version to absorb twice as much!

- No job is too big for our wide heavy-duty heavyweight rolls; our most popular mat weight is ideal for absorbing leaks, drips or overspray in walkways and aisles and for soaking up big spills in large areas
- Absorbent mat stands up to heavy foot, industrial vehicle, wheeled and forklift traffic in aisleways and walkways
- Cuts easily with scissors or utility knife
- Won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
  - always take proper precautions when handling saturated absorbents
