

# PIG® Gray Ham-O® Absorbent Mat Roll

MAT167 Heavyweight, 24" x 150', 1 roll

Brings the fun to leak, drip and spill cleanup! Ham-O layer camouflages liquids and grime while it absorbs; tear off only what you need.

- No job is too big for our wide heavyweight rolls; our most popular mat weight is ideal for absorbing leaks, drips or overspray in walkways and aisles and for soaking up big spills in large areas
- PIG-Printed Camouflage Mats are a fun way to absorb liquid and hide grime; Ham-O mats keep your workplace clean and your employees safe and happy
- Absorbed leaks and drips blend right in to camouflage top layer so mat appears clean
- Walk all over it! Scuff-resistant camouflage layer stands up to foot traffic in aisles and walkways; resists rips, tears and abrasions from tools when used as a liner
- Use anywhere – line workbenches, counters and toolboxes, catch drips and overspray around machinery, clean up oil and grease in service pits and more!
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Easy-tear perforations let you tear off small or large pieces for less waste
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
  - always take proper precautions when handling saturated absorbents

## Specifications

Traffic	Medium Foot Traffic
Static-Dissipative	No
Indoor/Outdoor	Indoor Use
Floating	No

<b>Perforated Pattern</b>	10" x 24" sections
<b>Reusable</b>	No
<b>Wringable</b>	Yes
<b>Incinerable</b>	Yes

[PIG® Universal Absorbents](#)

[29 CFR 1910.22\(a\)\(2\)](#)

### Disclaimers

[Safety Instructions Regarding Flammable Liquids for Flame Resistant Mats](#)

Pig Absorbent Mats are flame resistant in their unused state, but take on the properties of flammable liquids they absorb. Always take proper precautions against potential ignition in handling and disposal of these mats if they have absorbed flammable liquids. For further assistance, please call Technical Services.

#### HAM-O® Mat Notice

Not recommended for absorbing solvents or corrosive liquids that may affect the printed pattern.
