

PIG® Extra-Duty Absorbent Mat Pad in Dispenser Box

MAT173 Heavyweight, 16" x 20", 100 pads per box

Low-lint mat resists abrasions and is tough enough for sharp or rough parts and edges. Dispenser box is easy to store in carts or shelves.

- Heavyweight mat pad is durable, abrasion-resistant and low-linting; ideal for wiping rough parts, sharp objects or equipment, lining toolboxes and shelves and cleaning in paint booth applications
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents
