

PIG® Extra-Duty Absorbent Mat Roll

MAT175 Heavyweight, 32" x 150', 1 roll per bag

Low-lint mat roll resists abrasions and is tough enough for sharp or rough parts and edges.

- Heavyweight mat roll is durable, abrasion-resistant and low-linting; ideal for wiping rough parts, sharp objects or equipment, lining toolboxes and shelves and for cleaning in paint booth applications
- Rolls are perforated every 10"; easy to tear to size and use only what you need
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents
