⬛ PIG® Extra-Duty Absorbent Mat Roll

MAT2005 Mediumweight,16" W x 150' L,1 roll per bag

Low-lint mat roll resists abrasions and is tough enough for sharp or rough parts and edges.

- Mediumweight rolls are low-linting and resist fraying; the ideal size for lining toolboxes and shelves, wiping rough surfaces and cleaning in paint booth applications
- Rolls are perforated every 10"; easy to tear to size and use only what you need
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids - always take proper precautions when handling saturated absorbents
