

PIG® Universal Mat

MAT207 Heavyweight, 10" x 13", 144 pads (6 packages of 24 each)

Absorb leaks and spills to keep floors dry and workers safe. Strong, durable PIG® Mat lasts longer so you use less Mat and spend less time replacing it.

- Eight-layer, thermally bonded construction won't rip, tear or fray, even when saturated
- 100% polypropylene (now made with 50% recycled content)
- Exclusive dimple pattern speeds wicking of liquid throughout Mat for faster, easier cleanup
- Absorbs and retains oils, coolants, solvents and water
- Dark gray color hides grime, so Mat stays on the job longer
- Heavy-weight construction is highly durable and absorbent for demanding tasks and large-volume cleanups
- Highly absorbent, fine-fiber construction won't leave behind liquids or fiber residue
- Perforated Mat is easy to tear to size so you only use what you need
- Pads are ideal for catching drips and soaking up spills
- Flame-resistant material won't burn immediately like cellulose mats; melts when exposed to high heat while on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
