

PIG® Fat Mat® Absorbent Roll

MAT2102 Extremeweight, 32" x 75', 1 roll

This double-thick version of our 8-layer PIG Mat has 16 thirsty layers for big cleanups. Spunbond top resists abrasion for long life.

- 16 layers of 100% polypropylene are thermally bonded to form one super-absorbent mat capable of drinking up huge volumes of liquid
- Tough, spunbond top layer stands up to heavy foot traffic; won't rip, tear, fray or create a trip hazard, even when saturated
- Fast-wicking "diaper action" transfers liquids into the absorbent inner layers to keep moisture away from surface
- Absorbs most common industrial liquids - oils, water, solvents, coolants and more
- Gray color means absorbed leaks and drips blend right in
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Rolls are ideal for covering large areas and soaking up leaks and overspray
- Easy-tear perforations let you take only what you need, so you use less mat and save money
- Extreme heavyweight Fat Mat construction is ideal for applications that require long life and high capacity
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents

Specifications

Traffic	Medium Foot Traffic
Static-Dissipative	No
Indoor/Outdoor	Indoor Use
Floating	No
Perforated Pattern	10" x 16" sections
Reusable	No
Wringable	Yes
Incinerable	Yes
Flammability Specifications	Flame Resistant - Will melt and self-extinguish

Fluid Absorbed	Oils, Coolants, Solvents, Water – Universal
Color	Gray
Dimensions	32" W x 75' L
Mat Weight	Extremeweight
Recycled Content	25% or more Recycled Content
Absorbency	Up to 40 gal. per bag
Absorbency per	Up to 40 gal. per roll
Brand	PIG
Category	Fat Mat® Absorbent Mat
Core Diameter	1.5"
Perforated	Yes
Sold as	1 roll per bag
Weight	30 lbs.
# per Pallet	12
Composition	Polypropylene
UNSPSC	47131901
UV Resistant	No
Pigalog® Page Number	Page 26

Metric Equivalent

Absorbency per	Up to 151.4 L per roll
Absorbency	Up to 151.4 L per bag
Dimensions	81.3cm W x 23m L
Weight	13.6 kg

Disclaimers

[Safety Instructions Regarding Flammable Liquids for Flame Resistant Mats](#)

Pig Absorbent Mats are flame resistant in their unused state, but take on the properties of flammable liquids they absorb. Always take proper precautions against potential ignition in handling and disposal of these mats if they have absorbed flammable liquids. For further assistance, please call Technical Services.
