

PIG® Absorbent Bib

MAT2230 Absorbs Oils; Coolants; Solvents; Water; Universal, For Small Engine Applications, .75" to 3" Dia. Opening Dimensions

Catch drips and splashes while filling your tank by placing this absorbent bib around the fill opening.

- Keep your tank and floor clean by catching drips and splashes with this bib that's made to fit around fill openings
- Fits over a wide variety of fill openings
- Pad is easily removable to prevent damage to surrounding areas and for fast cleanup
- Absorbs and retains most common industrial liquids, including oils, water, solvents, coolants and more
- Mats take on the properties of absorbed liquids, so always take proper precautions when handling saturated absorbents
- Area around fill neck must be cool before placing mat
