

## PIG® Traffic Mat® Absorbent Rug with Poly Backing

MAT223 Mediumweight, 36" W x 100' L, 1 roll per bag

Our most durable absorbent mat for areas with heavy foot, cart or forklift traffic. Poly backing prevents liquids from ever reaching the floor.

- Mediumweight rolls with Poly Backing prevent grease, oil and other liquids from reaching floors, counters or other surfaces; ideal for everyday spills and machine overspray in walkways and aiseways
- Absorbent mat stands up to heavy foot, industrial vehicle, wheeled and forklift traffic in aiseways and walkways
- Cuts easily with scissors or utility knife
- Won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
  - always take proper precautions when handling saturated absorbents
