

PIG® 4 in 1® Absorbent Mat Roll

MAT235 Mediumweight, 16" W x 150' L, 1 roll per bag

Get 1 mat — use it 4 different ways! It's a pad, roll, sock and wiper all in one. Easy-fold mat can tackle different kinds of leaks, drips and spills!

- Narrow mediumweight rolls are the perfect size for lining shelves and ledges along machines and ideal for most messes, absorbing everyday spills, leaks and overspray around machines or in large areas
- 4 products in 1! Mat works as a sock, pad, roll or wiper to clean up leaks, drips and spills of many varieties to reduce slips and falls
- Rolls are perforated and underside is scored for easy folding; you can shape this mat to fit your spill
- Use as a pad to catch drips and soak up spills; roll out to cover large areas like aiseways; fold along score lines to make a thick, absorbent sock; tear off a piece to use as a low-lint wiper
- Scuff-resistant top layer resists wear and tear from foot traffic and abrasion
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Easy-tear perforations let you tear off small or large pieces for less waste
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents
