

## PIG® Absorbent Mat Pad in Dispenser Box

MAT240 Heavyweight, 15" W x 20" L, 100 pads per box

PIG Mat lasts 2x longer than ordinary mats for fewer change-outs. It absorbs oils, coolants, solvents and water; just about any mess you need to clean up!

- Lasts 2X longer than ordinary mats for fewer change-outs; that's why more plants worldwide use PIG Mat than any other brand
- Multiple layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fiber construction won't leave liquids or fiber residue behind
- Absorbs most common industrial liquids - oils, water, solvents, coolants and more
- Absorbed leaks and drips blend right in; dark gray color hides grime so mat stays on the job longer
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Dispenser box makes it easy to take, carry and store your mat while protecting it from dirt and moisture
- Pads are ideal for catching drips and soaking up spills
- Easy-tear perforations let you take only what you need so you use less mat and save money
- Heavy-weight construction delivers greater durability and absorbency for demanding tasks and large-volume cleanups
- Mats take on the properties of absorbed liquids
  - always take proper precautions when handling saturated absorbents
