

PIG® Elephant Absorbent Mat Roll

MAT256 Mediumweight, 33" W x 75' L, 1 roll per bag

Extreme durability and toughness; zigzag-stitched absorbent mat roll provides excellent walk-on durability.

- Wide mediumweight rolls are ideal for most messes, absorbing everyday spills, leaks and overspray around machines or in large areas
- Our toughest mat! Zigzag stitching provides extra wear resistance and walk-on durability while absorbing leaks, drips and overspray
- Walk and roll all over it. Strong enough to withstand foot traffic and light wheeled traffic
- Line work surfaces and shelves! Mat will not pill up when tools or small parts get moved or slid on it
- Won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Can be cut with a utility knife or scissors
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents
