

PIG® Elephant Absorbent Mat Roll with Poly Backing

MAT270 Mediumweight, 31" x 100', 1 roll per bag

Extreme durability and toughness; zigzag-stitched absorbent mat rolls provide excellent walk-on durability.

- Mediumweight rolls with poly backing prevent grease, oil and other liquids from reaching floors, counters or other surfaces; ideal for everyday spills and machine overspray in walkways and aisles
- Our toughest mat! Zigzag stitching provides extra wear resistance and walk-on durability while absorbing leaks, drips and spills
- Walk and roll all over it. Strong enough to withstand heavy foot traffic and light wheeled traffic
- Place over a spill with poly-back side up to reduce harmful, flammable or irritating vapors
- Won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Can be cut with a utility knife or scissors
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents
