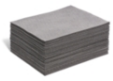
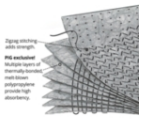
PIG® Elephant Absorbent Mat Pad

MAT286 Mediumweight,16.5" W x 20" L,100 pads per bag





Absorbent mat with zigzag stitching for extreme durability and toughness.

- Mediumweight mat pads are ideal for everyday leaks and spills around machines or equipment
- Our toughest mat! Zigzag stitching provides extra durability while absorbing leaks, drips and spills
- Line worksurfaces and shelves! Mat will not pill up when tools or small parts get moved or slid on it
- Won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids - always take proper precautions when handling saturated absorbents
