

# PIG® Fat Mat® Oil-Only Absorbent Mat Pad in Dispenser Box

MAT4101 Extremeweight, 16" x 20", 50 pads per box

Need more cleanup power? There's a mat for that. Double the layers of our regular PIG Oil-Only Mat for your biggest messes.

- Twice as many layers of 100% polypropylene as our regular PIG Oil-Only Mats, thermally bonded to form one super-absorbent mat capable of drinking up huge volumes of oily liquid
- Tough, spunbond top layer stands up to heavy foot traffic; won't rip, tear, fray or create a trip hazard, even when saturated
- Fast-wicking "diaper action" transfers oil into the absorbent inner layers to keep moisture away from surface
- Absorbs and retains oils and fuels, not water. White color tells you it's only for oils and fuels
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Dispenser box makes mat easy to access, carry and store while protecting contents from dirt and moisture
- Easy-tear perforations let you take only what you need, so you use less mat and save money
- Extreme heavyweight Fat Mat construction is ideal for applications that require long life and high capacity
- Mats take on the properties of absorbed liquids
  - always take proper precautions when handling saturated absorbents
