

## PIG® Oil-Only Absorbent Mat Roll in Dispenser Box

MAT427 Lightweight, 10" x 100', 2 rolls (2 boxes of 1 each)

Lasts 2x longer than ordinary mats for fewer change-outs, while only absorbing oil and fuels, NOT water. Loves oil. Hates water.

- Our most cost-effective mat when you only need to absorb oil-based liquids
- Multiple layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fiber construction won't leave behind oil or fiber residue
- Absorbs oil and fuels, NOT water
- White color tells you it's only for oils and fuels; draws attention to machine leaks and clearly shows saturation level during spill response
- Floats to clean up spills on water
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Dispenser box makes mat easy to access, carry and store while protecting contents from dirt and moisture
- Rolls are ideal for covering large areas and soaking up leaks and overspray
- Light-weight construction is economical for small tasks and cleanups
- Mats take on the properties of absorbed liquids
  - always take proper precautions when handling saturated absorbents
