MAT4280 Heavyweight, For 5 gal. tight-head steel pail with 1 bung (2" Dia.) ,25 pads per box

Lay this perfect-fit oil-only absorbent mat on top of your standard 5-gallon steel pail to capture oils spilled while dispensing.

- Pail pads are made to fit standard 5-gallon steel pails and to catch oil drips during and after pumping
- Heavyweight mats are built to last without ripping, tearing or falling apart, even when saturated
- Soak up any fuels, oils or oil-based liquids; oil-only mats do NOT absorb water
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids; always take proper precautions when handling saturated absorbents
