

# PIG® 4 in 1® Oil-Only Absorbent Mat Roll

MAT435 Mediumweight, 16" x 150', 1 roll

Get 1 mat – use it 4 different ways! It's a pad, roll, sock and wiper all in one. Easy-fold mat can tackle different kinds of leaks, drips and spills of oil.

- Our narrow mediumweight rolls are ideal for lining shelves and ledges along machines to soak up leaks and drips
- Use as a pad to catch drips and soak up spills; roll out to line shelves or ledges; fold along score lines to make a thick, absorbent sock; tear off a piece to use as a low-lint wiper
- Rolls are perforated every 10" and underside is scored for easy folding; you can shape this mat to fit your spill
- Absorbs and retains oil, NOT water
- White color draws attention to machine leaks and clearly shows saturation level during spill response
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Scuff-resistant top layer resists wear and tear from foot traffic and abrasion
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
  - always take proper precautions when handling saturated absorbents
