MAT436 Heavyweight, 16" W x 150' L, 2 rolls per bag

Brings the fun to leak, drip and spill cleanup! Ham-O mat rolls camouflage absorbed leaks and drips of oil from ledges and shelves.

- Line shelves and ledges along machines and soak up heavy leaks and drips of oil-based liquids with our narrow heavyweight rolls
- PIG-Printed Camouflage Mats are a fun way to absorb oils and fuels and hide grime; Ham-O mats keep your workplace clean and your employees safe and happy
- Absorbed leaks and drips blend right into camouflage top layer so mat appears clean
- Scuff-resistant camouflage layer stands up to foot traffic in aisles and walkways; resists rips, tears and abrasions from tools when used as a liner
- Use anywhere – line workbenches, counters and toolboxes, catch drips and overspray around machinery, clean up oil and grease in service pits and more!
- Absorbs oil, NOT water
- Easy-tear perforations let you tear off small or large pieces for less waste
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents
