

PIG® Ham-O® Oil-Only Absorbent Mat Roll

MAT437 Heavyweight, 32" x 150', 1 roll

Brings the fun to leak, drip and spill cleanup! Ham-O mat rolls camouflage absorbed leaks, drips and overspray of oil in aiseways, along machines and in large areas.

- No job is too big for our wide heavyweight rolls; our most popular mat weight is ideal for absorbing leaks, drips or overspray of oil-based liquids in walkways and aisles and for soaking up big spills in large areas
- PIG-Printed Camouflage Mats are a fun way to absorb oils and fuels and hide grime; Ham-O mats keep your workplace clean and your employees safe and happy
- Absorbed leaks and drips blend right into camouflage top layer so mat appears clean
- Scuff-resistant camouflage layer stands up to foot traffic in aisles and walkways; resists rips, tears and abrasions from tools when used as a liner
- Use anywhere – line workbenches, counters and toolboxes, catch drips and overspray around machinery, clean up oil and grease in service pits and more!
- Absorbs oil, NOT water
- Easy-tear perforations let you tear off small or large pieces for less waste
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents
