

PIG® Rip-&-Fit® Oil-Only Absorbent Mat Roll in Dispenser Box

MAT442 Heavyweight, 15" W x 60' L, 1 roll per box

Absorb leaks and drips of oil in tight spaces and create custom mat sizes with our extra-perforated mat roll in a dispenser box. Just "rip" it along the easy-tear perfs and "fit" it into place.

- No job is too big for our heavyweight rolls; our most popular mat weight is ideal for absorbing drips of only oil and oil-based liquids on shelves and ledges and in tight or awkward spaces that require custom mat sizes; dispenser box is easy to store
- Extra perforations let you easily "rip" this PIG Mat and "fit" it to your spill without cutting; use only what you need and waste less
- Select a size that's custom to your application; create long, narrow strips to fit into small spaces
- Perforated every 3.75" across width and every 10" across length
- Absorbs and retains oil and oil-based liquids; skims oil on top of water
- Bright white color makes absorbed oil easier to see; draws attention to leaks and clearly shows saturation level
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents
