

PIG® Rip-&-Fit® Oil-Only Absorbent Mat Roll

MAT443 Heavyweight, 15" x 150', 1 roll

Absorb leaks and drips of oil in tight spaces and create custom mat sizes with our extra-perforated mat roll. Just "rip" it along the easy-tear perms and "fit" it into place.

- No job is too big for our heavyweight rolls; our most popular mat weight is ideal for absorbing drips of only oil and oil-based liquids on shelves and ledges and in tight or awkward spaces that require custom mat sizes
- Extra perforations let you easily "rip" this PIG Mat and "fit" it to your spill without cutting; use only what you need and waste less
- Select a size that's custom to your application; create long, narrow strips to fit into small spaces
- Perforated every 3.75" across width and every 10" across length
- Absorbs and retains oil and oil-based liquids; skims oil on top of water
- Bright white color makes absorbed oil easier to see; draws attention to leaks and clearly shows saturation level
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents

Safety Instructions Regarding Flammable Liquids for Flame Resistant Mats

Pig Absorbent Mats are flame resistant in their unused state, but take on the properties of flammable liquids they absorb. Always take proper precautions against potential ignition in handling and disposal of these mats if they have absorbed flammable liquids. For further assistance, please call Technical Services.
