

PIG® 4 in 1® Oil-Only Absorbent Mat Roll in Dispenser Box

MAT484 Mediumweight, 16" W x 80' L, 1 roll per box

Get 1 mat – use it 4 different ways! It's a pad, roll, sock and wiper all in one. Easy-fold mat can tackle different kinds of leaks, drips and spills of oil; stored in a convenient dispenser box.

- Our narrow mediumweight rolls are ideal for lining shelves and ledges along machines to soak up leaks and drips; dispenser box fits neatly on shelves or carts
- Use as a spill pad to catch drips and soak up spills; roll out to line shelves or ledges; fold along score lines to make a thick, absorbent sock; tear off a piece to use as a low-lint wiper
- Rolls are perforated every 10" and underside is scored for easy folding; you can shape this mat to fit your spill
- Absorbs and retains oil NOT water
- White color draws attention to machine leaks and clearly shows saturation level during spill response
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Scuff-resistant top layer resists wear and tear from foot traffic and abrasion
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents
