

PIG® Sticky Steps® Mat with Frame

MAT568 25" x 37" x .01", 30 sheets

This tacky-surface floor mat in a tray is portable, so you can move it anywhere you need it.

- High-tack disposable mat pulls dirt and debris from shoes and wheels to prevent tracking into offices
- Mats come 30 sheets to a pad; entire pad attaches to frame and used sheets tear off easily
- Numbered pull-tab system shows when you're running low
- Each 4 mil polyethylene sheet is nonallergenic, nonodorous and nondrying
- Mats on frame are clear (refills sold separately, see MAT195)
- Refillable white PVC frame with rubber backing holds the mat pad in place
- Portable frame lets you use Sticky Steps Mat on carpet or on floors that are difficult to clean thoroughly; can be easily stored
- Ideal for use in hospitals, laboratories, clean rooms, data centers, test facilities, mixing facilities, construction sites, residences, photography studios and during renovation projects
