

PIG® High-Visibility Absorbent Mat Roll

MAT602 Heavyweight, 24" W x 150' L, 1 roll per bag

Hard-to-miss high-visibility yellow mat rolls draw attention to spill cleanups in progress and alerts workers to potential hazards; ideal for walkways and aisles.

- No job is too big for our wide heavyweight rolls; our most popular mat weight is ideal for absorbing leaks, drips or overspray in walkways and aisles and for soaking up big spills in large areas
- Bright yellow color stands out so it's easy for workers to see hazards, repairs or cleanups in progress, even in poorly lit areas!
- Walk all over it! Durable top layer resists scuffs and stands up to foot traffic without creating a trip hazard
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Easy-tear perforations let you tear off small or large pieces for less waste
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents
