

## **PIG® High-Visibility Absorbent Mat Pad**

MAT603 Heavyweight, 15" x 20", 100 pads per bag

High-visibility yellow mat draws attention to spill cleanups in progress and alerts workers of potential hazards.

- No job is too big for our heavyweight mat pads; our most popular mat weight is ideal for soaking up big spills and heavy leaks around machines and equipment
- Bright yellow color stands out so it's easy for workers to see hazards, repairs or cleanups in progress, even in poorly lit areas!
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
  - always take proper precautions when handling saturated absorbents
