

PIG® High-Visibility Absorbent Mat Pad

MAT604 Lightweight, 15" W x 20" L, 200 pads per bag

Hard-to-miss high-visibility yellow mat draws attention to spill cleanups in progress and alerts workers of potential hazards.

- Lightweight mat pads are for minor messes; small leaks and drips or lining tool carts; dispenser box fits neatly on shelves or carts
- Bright yellow color stands out so it's easy for workers to see hazards, repairs or cleanups in progress, even in poorly lit areas!
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents
