

PIG® Chat Mat® High-Visibility Absorbent Roll

MAT607 Mediumweight, 24" x 75', 1 roll

Clean up spills while sending a safety message that can't be missed! Hi-viz yellow mat roll features a repeating safety sign image perfect for aisles and walkways.

- Wide mediumweight rolls are ideal for most messes, absorbing everyday spills, leaks and overspray around machines or in large areas
- Bright yellow color stands out so it's easy for workers to see hazards, repairs or cleanups in progress, even in poorly lit areas!
- Walk all over it! Durable top layer resists scuffs and stands up to foot traffic without creating a trip hazard
- Eye-catching safety message repeats throughout the roll to create an even safer work area
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Easy-tear perforations let you tear off small or large pieces for less waste
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents
