

PIG® High-Visibility Absorbent Mat Roll

MAT625 Heavyweight, 15" W x 150' L, 2 rolls per bag

Hard-to-miss high-visibility yellow mat draws attention to spill cleanups.

- Narrow heavyweight rolls are the perfect size for lining shelves and ledges along machines and work best for soaking up heavy leaks and drips
- Bright yellow color stands out so it's easy for workers to see hazards, repairs or cleanups in progress, even in poorly lit areas!
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Easy-tear perforations let you tear off small or large pieces for less waste
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents
