

Heavy-Duty Cantilever Storage Rack

MTL1027 Number of Arms 8, Arm Length 24" L, 37" W x 72" D x 96" H

Conveniently store large amounts of bars, tubes and other materials in a compact area on this cantilever storage rack.

- Heavy duty; ideal for storing large amounts of heavy materials in a compact area and for forklift-handling of awkward or extremely heavy stock, such as bars and tubes
- Tapered column design compensates for deflection; 0.125" taper per foot
- Double-tube bracing
- Arms adjust on 3" centers
- Assembly is quick and easy; no special tools needed
- Single-sided base
- Increase storage capacity with select compatible Cantilever Storage Rack Add-On Units (sold separately)
