

Vestil™ Scissor Lift Table

MTL1168 Hydraulic Powered, 36" Lift Height, Load Capacity 3000 lbs.

Stop straining and instead, bring the work to you! Get your job done at an ergonomic height on this electric-hydraulic scissor lift table designed for safety and built for strength.

- Welded steel construction provides reliable heavy-duty use
- Ideal for manufacturing and warehouse facilities
- Durable aluminum pressure-plated hydraulic pump
- Displacement-style hydraulic cylinders increase strength
- Patented four-sided electric toe-guard meets OSHA pinch-point specification
- Additional safety features include fused push-button control, internal safety velocity fuse, integral maintenance prop and adjustable upper travel limit switch
