

# Add-A-Level™ Raised Work Platform Stacker

MTL1411 For Add-A-Level Raised Work Platform

Raise yourself up to work more comfortably with this lightweight, modular Stacker that fits your Add-A-Level Raised Work Platform (sold separately) to customize it to the height you need.

- Fits onto select Add-A-Level Raised Work Platform Bases (sold separately), and then onto other Stackers, to customize the Base to the appropriate working height
- Easy no-tool assembly
- Made of high-density polyethylene (HDPE); resists chemicals and UV, and won't rust
- Designed with a grid pattern that allows liquids to flow through and promotes air circulation
- Stacker units include all necessary Stacker components to connect them to other Add-A-Level units
