

Modular-Kart™ Grid Top Base Unit

MTL1429 Load Capacity 900 lbs.

Conveniently pick and pull large or heavy items throughout your facility using this tough modular cart with grid-design shelving.

- Strong enough to handle heavy loads and light enough to maneuver easily
- Ideal for pick-and-pull warehouses
- Easy no-tool assembly
- Each shelf is designed with a grid top pattern that allows liquids to flow through and promotes air circulation
- Made of high-density polyethylene (HDPE); resists chemicals and UV, and won't rust
- Increase storage capacity with select compatible Modular Kart Add-On Units (sold separately)
