

Durham® Adjustable Height Platform Truck

MTL598 Load Capacity 2000 lbs., Platform
Dimensions 24" W x 48" L

Set this adjustable height cart to a convenient level for your application to easily transport bulky objects or heavy loads.

- Deck height is adjustable from 27"–37" (in 3" increments) to accommodate a variety of applications
- Work height deck eliminates the need to bend over for loading and unloading heavy or bulky items
- Steel deck resists wear and tear in demanding environments where a wooden or plastic deck might be damaged
- Lipped top and bottom deck prevents objects from rolling or sliding off while cart is moving
- Durable, powder-coated steel frame holds loads up to 2000 lbs.
- 6" rubber casters for smooth rolling
