

## PIG® UN Rated Waste Container

PAK1401 For Solid Waste, Max 750 lbs. (UN Packaging Group II and III), 30 gal.

Collect solid hazardous waste and materials in our disposable UN Rated bulk bag for easy shipping. Flexible UV-resistant composite makes this space-saving containment unit easy to store and stack.

- Free-standing 30-gallon bag can be used as a replacement for bulky steel drums
- Foldable design allows for compact storage; can be stacked
- Fit up to four filled containers on a pallet
- Pre-installed 6 mil liner provides a proper fit to contain solid hazardous waste and materials
- Ideal for use in satellite collection areas, emergency response cleanups and other remote locations
- Integrated lift straps make carrying and moving container easy
