

## Steel Spill Tray

PAK254 Steel, 24" x 36" x 3", 11 gal. Sump Capacity

Leak-tested steel spill tray catches leaks and drips of flammable liquids to help keep floors safe.

- 100% leak-tested tray is ideal for temporary storage of small containers that may leak or drip flammable liquids
- Welded, folded handles
- Hemmed steel edge helps to prevent cuts during handling
- 14-gauge galvanized steel can be grounded to limit the buildup of static electricity when handling flammables
- Great for storing gas cans and other small containers, as well as catching leaks and drips from hoses or machinery
