

PIG® Custom Collapse-A-Tainer® Self-Rising Spill Containment Berm

PAK298 Black/Yellow, 1 each

Need a custom-sized Collapse-A-Tainer? We can create one of these affordable drive-in spill containment berms in the exact dimensions you need!

- Don't see a Collapse-A-Tainer Berm that fits your application? Give us your specs and we'll build it
- Customize the length & width in 1' increments; height remains 12"
- Sides fold down easily to allow pallet jacks and forklifts to be driven into and out of containment
- Constructed of a durable, coated geomembrane that resists chemicals, abrasion and tearing
- Folds to a compact size for easy transportation and storage
- Convenient one-piece design requires no additional parts or tools
- Ideal for use under storage tanks, pillow tanks, pallets loaded with drums and more; store in trucks for emergency response to tank leaks in remote locations
- Call 1-800-HOT-HOGS (468-4647) for more information and a free quote
- NOTE: This product is customized, so it is ineligible for returns or refunds
