

PIG® Bladder Box

PAK526 For Bladder Containment Deck

Connect this Bladder Box to your PIG Modular Spill Deck for extra containment capacity in the event of a spill.

- Expandable bladder provides 55 gallons of containment beyond deck alone; keeps deck surface at a low 5.75" height
- Bladder stays rolled up behind box door until deck sump is full and then deploys automatically
- Helps you comply with containment regulations while maintaining a small footprint in your storage area
- Full bladder deployment requires clearance of 66"W x 58"D in front of deck
