

PIG® Collapse-A-Tainer® Lite Spill Containment Berm

PAK721 Ideal For Washdowns, Decon, 4' x 6' x 8", Sump Capacity 119 gal.

Light-weight, collapsible containment is easy to handle for small jobs like core storage, washdowns and decon.

- A great way to provide portable containment when space is at a premium
- Durable, 18-oz. vinyl is lightweight, easy to handle and chemical-resistant
- 8" standard "step-over" height makes entrances and exits easy, especially when used as a decon station
- Compact and easy to deploy; no assembly required
- Folds easy for carrying or storing
- Due to space allowance for inside supports, usable storage area measures 27" x 51"
