

PIG® 4-Drum Foam Wall Spill Berm

PAK853 Ideal For Portable Drum Containment, 56" W x 56" L x 4" H, Sump Capacity 27 gal.

Portable soft wall berm contains leaks and spills from stored containers – you don't need a ramp to load drums!

- 4"-high foam sidewalls can be driven over with a drum truck and spring back; eliminates the need for expensive and bulky ramps
- High-visibility green sidewalls are easy to see; reduce risk for trips
- Heavy-duty, 22 oz. vinyl provides resistance to tears, punctures and chemicals
- Lightweight, portable unit folds up for easy transport and sets up in seconds
- Economical alternative to hard plastic pallets and decks
- Removable polyethylene grate keeps drums out of liquid
- Perfect for temporary storage of drums, machine parts, tanks and generators or as washdown pad
- Helps you meet hazardous waste containment regulations (depending on the size of containers stored)

Specifications

Sump Capacity Range	20 - 39.9 gal.
Dimensions	56" W x 56" L x 4" H
Sump Capacity	27 gal.
Brand	PIG
Drain	No
Grates	(2) 48" L x 24" W Grates
