

Steel Spill Containment Cart

PAK994 For 5 to 55 gal. Drums, 2000 lb. Load Capacity, 33 gal. Sump Capacity

Ideal for transporting containers or collecting liquid waste or flammables from workstations - all with the protection of a 33-gallon containment sump.

- Ideal for transporting containers or for collecting liquid waste or flammables from workstations while still retaining the protection of a containment sump
- Rugged, welded-steel construction withstands strenuous use
- Chemical-resistant, 6" polyurethane wheels roll easily, even over rough surfaces
- Rear swivel wheels have brakes
- Steel grating deck lifts out for easy sump cleaning
- Pipe handle has cross bracing to add strength; handle removes for easier storage
- Cart is compatible with most oils, solvents, lubricants and flammables
