

## PIG® Clip-&-Fit® Absorbent Sock

PIG220 3" x 120', Each absorbs up to 15 gal., 1 sock per box

Create your own custom lengths of PIG Original Sock - from 6" to 120'. Just clip the ends, cut to size and fit your new sock into place.

- Pull exact length you need out of dispenser box, "clip" ends with included cable ties, cut the material and "fit" your new sock perfectly into place
- Formable socks hug corners and surround machine bases to absorb machine leaks, contain puddles and keep workers safe
- Contained corncob filler pulls liquids from the floor for maximum absorbency while making cleanup quick and easy
- Polypropylene skin resists tearing; reduces dust and holds in liquid, even when saturated
- Absorbs most common industrial liquids - oils, water, solvents, coolants and more
- Corncob filler is light-weight and economical for general, everyday tasks
- Can be incinerated after use to reduce waste or for fuels blending
- Nobody knows more about socks than New Pig
  - we invented them!
- Create a custom-sized, 3"-diameter PIG ORIGINAL Sock in seconds - from 6" to 120' long!

### Specifications
