

PIG® Original Absorbent Sock

PIG237 3" x 42", Each absorbs up to 64 oz., 12 socks per box

Control your everyday leaks with our most shape-hugging sock.

- Tough and economical, the Original is your best choice for everyday leak protection to keep your floors safe.
- Formable socks hug corners and surround machine bases to absorb machine leaks, contain puddles and help keep workers safe
- Contained corncob filler pulls liquids from the floor for maximum absorbency while making cleanup quick and easy
- Polypropylene skin resists tearing; reduces dust and holds in liquid, even when saturated
- Absorbs most common industrial liquids - oils, water, solvents, coolants and more
- Corncob filler is light-weight and economical to handle general, everyday tasks
- Can be incinerated after use to reduce waste or for fuels blending
