

VRLA Battery Acid-Neutralizing Pillow

PIL3000 Absorbs up to .6 qt. per pillow, 20 pillows

Absorb and neutralize dangerous battery acid leaks and drips with these special-application pillows.

- UL Recognized pillows are specially designed for VRLA battery applications
- Acid-neutralizing filler works on any lead-acid batteries; protect your people and equipment against dangerous leaks, drips and spills
- Pillows change color on contact with acid (but not water) to indicate that a spill has occurred
- Ideal for use with Battery Acid-Resistant Trays (sold separately)
