

Bulk Bag

PKG034 For Solid Waste,Max 2,600 lbs.,Storage Capacity 15 cu. ft.

Fill this strong, flexible IBC (FIBC) with any nonhazardous solids from soil and sand to construction debris and more.

- Store and transport loose, non-hazardous solids such as parts, soil, sand and more
- Ideal for construction, debris cleanup, disposal projects, material handling, production-line waste disposal and more
- Can be transported around a facility or from job site to job site
- More cost-effective than drums, pails and many other types of containers
- Four (4) heavy-duty built-in corner straps that can be forklifted
- Folds easily for compact storage when not in use
- Woven uncoated virgin polypropylene construction
- UV and moisture resistant
- Side pouch for labeling contents
