

# Rust Revenge® Rust Removing Liquid

PKG610 Rust Remover, 1 gal. Container, 1 container

Remove rust effortlessly, and without harming metal parts or components, by using this safe, non-toxic liquid for simply soaking with no scrubbing required.

- Slowly soak away rust; no scrubbing or special treatment required
- Water-based, non-toxic formula is safe for humans, the environment, multiple surfaces and metal parts and components
- Reusable for multiple parts at a time, depending on increasing rust levels throughout liquid in container
- No VOCs or HAPs; pH-neutral/non-acidic
- Ready to use with no mixing required
- Works at parts-bath temperatures above 35 degrees F
