

## PIG® Dri Loose Absorbent

PLP213-1 Absorbs Oils, Coolants, Solvents, Water – Universal, Absorbs up to 5 gal., 1 bag

This silica-free loose absorbent combines the heavier consistency of clay with high absorbency to pull industrial liquids from your floor. Also great for outdoor use because it doesn't blow around.

- Unlike clay, which is simply coated with liquid, fast-wicking cellulose-based kaolin granules begin to soak up liquid the moment they touch the spill
- 100% recycled content is a byproduct of the paper-making process, ideal when green products are desired or required
- Silica-free composition does not pose the health hazards associated with breathing in clay dust
- Light-weight absorbent is easier than clay to carry and use without injury
- Absorbs and retains oils, coolants, solvents and water
- Can be incinerated after use to reduce waste or for fuels blending

### Specifications

|                             |   |
|-----------------------------|---|
| Fluid Absorbed              | Oils, Coolants, Solvents, Water – Universal |
| Color                       | Gray  |
| Recycled Content            | 100% Post-Consumer Recycled Cellulose Waste |
| Absorbency                  | Up to 5 gal. per bag                        |
| Brand                       | PIG   |
| Unit Weight                 | 40 lb.                                      |
| Sold as                     | 1 bag                                       |
| Weight                      | 40 lbs.                                     |
| NSN (National Stock Number) | 4235-01-528-0401                            |
| # per Pallet                | 50  |
| Composition                 | 60% Cellulose<br>40% Kaolin                 |
| Application                 | General Absorbent                           |
| UNSPSC                      | 47131902                                    |

## Metric Equivalent

|                   |                      |
|-------------------|----------------------|
| <b>Absorbency</b> | Up to 18.9 L per bag |
| <b>Weight</b>     | 18.1 kg              |
